View selected design plans for I-84 Interchanges at Burley and Heyburn

Shoshone - As part of Governor Brad Little's Leading Idaho Program, the public is invited to learn more about selected design plans for Interstate 84 (I-84) Burley and Heyburn Interchanges (Exits 208 and 211).

The Idaho Transportation Department (ITD) will host a public and online meeting to share plans and gather feedback about interchange improvements.

Date: Wednesday, March 1, 2023

Time: 5 p.m. – 7 p.m.

**Location: Burley Hampton Inn
560 Hampton Drive, Heyburn, ID**

The public meeting will be hosted in an open house format with members of the project team on hand to gather input and answer questions.

If you are unable to attend the in-person meeting, please participate online where you can review plans and leave a comment 24 hours a day beginning March 2 until March 15, 2023.

To learn more about the project, please visit itdprojects.org/projects/i-84-burley-and-heyburninterchanges. For additional information or questions, please call (208) 387-7012 or email stephanie.borders@hdrinc.com.

Information will also be available about other projects in the area, including the SH-27 Burley to Paul rehabilitation project and the I-84 Kasota to Burley reconstruction project.

The interchange redesign project is being funded as part of Idaho Governor Brad Little's "Leading Idaho" transportation funding initiative. The Leading Idaho initiative allows ITD to take a deliberate approach to advance large projects that will enhance safety, improve mobility, further strengthen Idaho's economy, and positively impact the Mini-Cassia region and communities across the state for years to come.
